TCK Definition

"An individual who, having spent a significant part of the developmental years in a culture other than the parents' culture(s), develops a sense of relationship to all of the cultures while not having full ownership in any. Elements from each culture are incorporated into the life experience, but the sense of belonging is in relationship to others of similar experience."

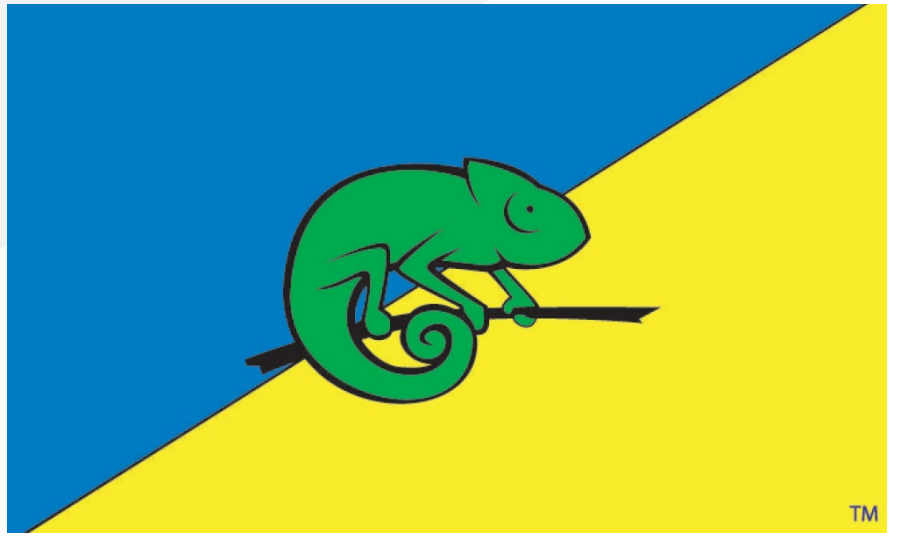
(*Third Culture Kids: Growing Up Among Worlds* by: David C. Pollock and Ruth E. Van Reken)

MK FLAG

Blue represents the MK's passport country

Yellow is the country they live/minister in

The chameleon **(MiKo)** represents the MK because he/she is a blend of both colors



MK VERSE

"If I **rise** on the wings of the dawn, if I **settle** on the **far** side of the **sea**, even there your hand will **guide** me, your right hand will **hold** me fast."
